

Travellanda @WTM London 2018 The global meeting place for the travel trade

World Travel Market London is the leading global event for the travel industry to meet industry professionals and conduct business deals.

For Travellanda it was an exciting 3 days of meeting new and existing clients and suppliers.

On the Tuesday afternoon, Travellanda held a networking event for everyone – and as usual the stand (TP320) and corridors around were packed!

We would like to thank everyone who came to say hello during the show – and we hope that you had a great show too!
